

## BeA SC55/3000 cordless collated screwdriver

Compact, versatile, light and equipped with a powerful Lithium-Ion battery. These are the features of the new BeA SC 55/3000 autofeed screwdriver. It provides end user with a perfect performance for drywalling, wood construction and any other timber joining work to do.

Depending on the material to be fastened one single battery charge can ensure the tool applies up to 900 strip collated screws. Example: 12,5 mm gypsum board to 0,6 mm metal studs with BeA SC 3,9x30 mm fine thread screw (Art. code 10600213).

*Quick coupling allows easy bit change.  
Special feature: One spare bit is contained in the screw gun housing.*

### Applications:

Gypsum boards, gypsum fibre, wooden panels etc. for any kind of construction applications, packaging etc....

The cordless collated screwdriver BeA SC 55/3000 and BeA collated screws are the perfect system for professional end users.

# The perfect system

BeA collated screws and cordless collated screwdriver SC 55/3000

## Technical data Cordless collated screwdriver SC 55/3000

Article number	12100464
Weight incl. battery	2.0 kg
Dimension L x W x H	325 x 84 x 282
RPM	3000 rev/min
Torque	20,1 Nm
Screw range	25 - 55 mm
Screw capacity	50 screws (one strip)
Reverse switch to take out driven screws	yes

## Technical data, battery

Battery type	Lithium-Ion
Battery performance	18V/3 Ah
Battery charging time	60 min
Battery LED capacity indicator	yes

## Specification

Cordless collated screwdriver incl. case	yes
2 Lithium-Ion batteries	yes
2 bits, PH2	yes
Quick charger	yes
1 allen key on the tool	yes
End user manual	yes
