Power. Speed. Balance. Reliability.

BeA is a member of:

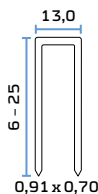

Pneumatic staplers for staples type 80/380

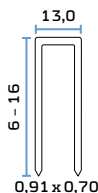

Weight: 0,9 - 1,5 kg
Capacity: 157 - 340 staples
Lengths: 6 - 25 mm

Versions available: safety yoke, blocked nose, long nose, long magazine, automatic, automatic with long magazine

Pneumatic pliers for staples type 80/380

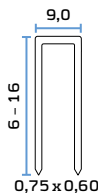

Weight: 1,4 kg
Capacity: 160 staples
Lengths: 6 - 16 mm

Pneumatic staplers for staples type 71

Weight: 0,9 - 1,4 kg
Capacity: 190 - 380 staples
Lengths: 6 - 16 mm

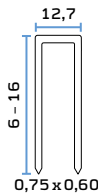

Versions available: safety yoke, blocked nose, automatic, automatic with long magazine

Pneumatic staplers for staples type 72

Weight: 0,9 - 1,4 kg
Capacity: 190 - 380 staples
Lengths: 6 - 16 mm

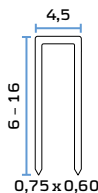

Versions available: safety yoke, blocked nose, automatic, automatic with long magazine

Pneumatic stapler for staples type 74

Weight: 0,9 kg
Capacity: 190 staples
Lengths: 6 - 16 mm

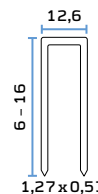

Versions available: With sole attachment

Pneumatic staplers for staples type 95

Weight: 0,9 - 1,4 kg
Capacity: 114 - 208 staples
Lengths: 6 - 16 mm

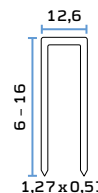

Versions available: safety yoke, automatic with long magazine

Pneumatic pliers for staples type 95

Weight: 1,4 - 1,6 kg
Capacity: 114 - 214 staples
Lengths: 6 - 16 mm

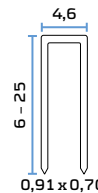

Versions available: Long magazine

Pneumatic staplers for staples type 97

Weight: 0,9 - 1,6 kg
Capacity: 100 - 360 staples
Lengths: 6 - 25 mm

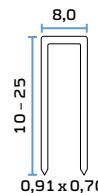

Versions available: safety yoke, long magazine, automatic

Pneumatic stapler for staples type 98

Weight: 1,2 kg
Capacity: 168 staples
Lengths: 10 - 25 mm

Versions available: safety yoke, long magazine, automatic

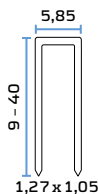

Staplers for Medium-Wire Staples

Pneumatic staplers for staples type 90

Weight: 1,2 - 1,9 kg
Capacity: 120 - 215 Staples
Lengths: 9 - 40 mm

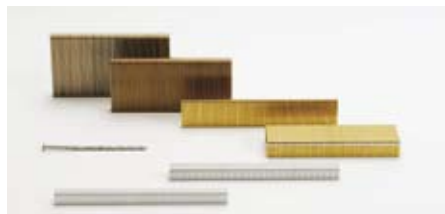

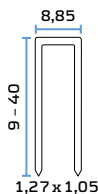

Versions available:
safety yoke, long magazine, automatic, automatic with long magazine

Pneumatic staplers for staples type 92

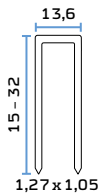

Weight: 1,2 - 2,1 kg
Capacity: 157 - 244 staples
Lengths: 9 - 40 mm

Versions available:
safety yoke, long magazine, automatic, automatic with long magazine

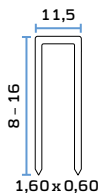

Pneumatic stapler for staples type 94

Weight: 1,6 kg
Capacity: 125 staples
Lengths: 15 - 32 mm

Pneumatic pliers for staples type 110

Weight: 1,6 kg
Capacity: 184 staples
Lengths: 8 - 16 mm

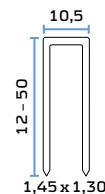

Staplers for Heavy-Wire Staples

Pneumatic staplers for staples type 14

Weight: 1,4 - 3,2 kg
Capacity: 110 - 173 staples
Lengths: 12 - 50 mm

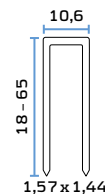

Versions available:
Long magazine, automatic, automatic with long magazine, Rapid-Clip- and Nosag attachment

Pneumatic staplers for staples type 155

Weight: 1,4 - 3,2 kg
Capacity: 110 - 173 staples
Lengths: 18 - 65 mm

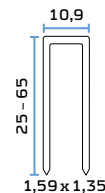

Versions available:
Long-magazine, automatic, automatic with long magazine, Rapid-Clip- and Nosag attachment

Pneumatic staplers for staples type 16

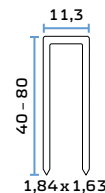

Weight: 1,4 - 3,2 kg
Capacity: 110 - 173 staples
Lengths: 25 - 65 mm

Versions available: Long-magazine, automatic, automatic with long magazine

Pneumatic staplers for staples type 180

Weight: 3,2 - 3,8 kg
Capacity: 122 - 130 Staples
Lengths: 40 - 80 mm

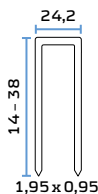

Staplers for Wide-Crown Staples

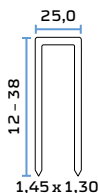

Pneumatic stapler for staples type 42

Weight: 2,60 kg
Capacity: 148 staples
Lengths: 14 - 38 mm

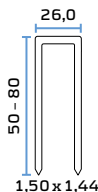

Pneumatic stapler for staples type 140

Weight: 2,8 kg
Capacity: 218 staples
Lengths: 12 - 38 mm

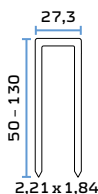

Pneumatic stapler for staples type 146

Weight: 3 kg
Capacity: 210 staples
Lengths: 50 - 80 mm

Pneumatic stapler for staples type 246

Weight: 5,0 kg
Capacity: 120 staples
Lengths: 50 - 130 mm

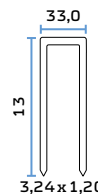

Staplers for Wide-Crown Staples

Pneumatic stapler for EPAL-staples type 33*

Weight: 2,4 kg
Capacity: 148 staples
Lengths: 13 mm

*only supplied by the EPAL Association

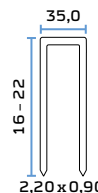

Staplers for Carton Closing Staples

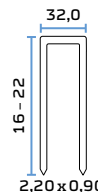

Staplers for staples type A (Packfix)

Weight: 2,1 - 2,4 kg
Capacity: 100 staples
Lengths: 16 - 22 mm

Pneumatic staplers for staples type C (Clincher)

Weight: 2,1 - 2,4 kg
Capacity: 120 staples
Lengths: 16 - 22 mm

Pneumatic stapler for carton closing coils

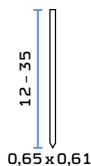

Weight: 2,5 kg
Capacity: 1000 staples
Lengths: 16 - 19 mm

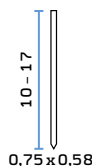

Pneumatic pinner for pins type S 600

Weight: 1,1 kg
Capacity: 130 pins
Lengths: 12 - 35 mm

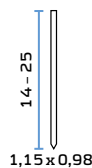

Pneumatic pinner for pins type S 700

Weight: 1,0 kg
Capacity: 160 pins
Lengths: 10 - 17 mm

Pneumatic pinner for pins type S 100

Weight: 1,0 kg
Capacity: 126 pins
Lengths: 14 - 25 mm

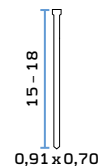

Pneumatic pinner for pins type S 500

Weight: 2,2 kg
Capacity: 90 pins
Lengths: 20 - 62 mm

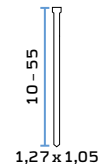

Pneumatic nailer for brads type SK 200

Weight: 1,0 kg
Capacity: 168 brads
Lengths: 15 - 18 mm

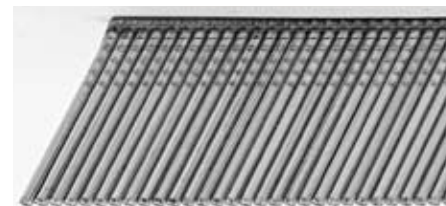

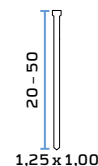

Pneumatic nailers for brads type SK 300

Weight: 0,8 - 1,6 kg
Capacity: 80 - 125 brads
Lengths: 10 - 55 mm

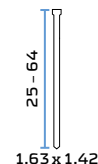

Pneumatic nailer for brads type SKAM 300

Weight: 1,4 kg
Capacity: 120 brads
Lengths: 20 - 50 mm

Pneumatic nailers for brads type SK 400

Weight: 1,6 - 2,2 kg
Capacity: 100 brads
Lengths: 25 - 64 mm

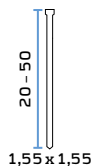

Brad Nailers

Pneumatic nailer for brads type SKAM 400

Weight: 1,4 kg
Capacity: 120 brads
Lengths: 20 - 50 mm

Pneumatic nailer for brads type SK 500

Weight: 2,2 kg
Capacity: 100 brads
Lengths: 35 - 62 mm

Pneumatic nailer for 34° brads type SKDA 600

Weight: 1,9 kg
Capacity: 100 brads
Lengths: 25 - 63 mm

Pneumatic nailer for steel brads type SKS 600

Weight: 1,5 kg
Capacity: 80 brads
Lengths: 18 - 50 mm

T-Nailers

Pneumatic nailers for T-nails

Weight: 2,7 - 3,4 kg
Capacity: 82 - 103 T-nails
Lengths: 13 - 62 mm

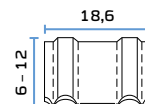

Nailers for Corrugated Fasteners

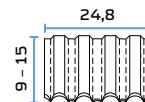

Pneumatic nailer for corrugated fasteners type WM

Weight: 2,8 kg
Capacity: 75 corrugated fasteners
Lengths: 6 - 12 mm

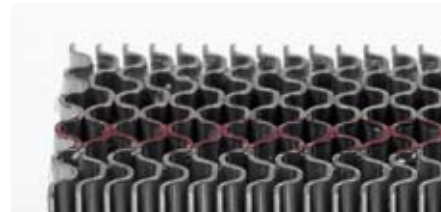

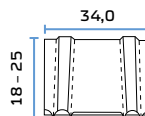

Pneumatic nailer for corrugated fasteners type W

Weight: 3,0 kg
Capacity: 77 corrugated fasteners
Lengths: 9 - 15 mm

Pneumatic nailer for corrugated fasteners type W Maxi

Weight: 3,7 kg
Capacity: 100 corrugated fasteners
Lengths: 18 - 25 mm

Coil Nailers for Round Head Nails

**Pneumatic nailers
for wire-welded roundhead
nails type BDC**

Weight: 2,2 - 5,5 kg
Capacity: 300 - 350 nails
Lengths: 25 - 100 mm

Strip Nailers

**Positive placement nailer
for anchor strip nails type R20**

Weight: 2,5 kg
Capacity: 28 nails
Lengths: 40 - 60 mm

**Pneumatic nailer
for wire-welded roofing nails
type DPN**

Weight: 2,5 kg
Capacity: 120 nails
Lengths: 19 - 45 mm

**Pneumatic nailers
for round head nails type R20**

Weight: 3,6 - 7,0 kg
Capacity: 50 - 72 nails
Lengths: 50 - 160 mm

**Pneumatic nailers
for plastic-collated nails type TC**

Weight: 1,2 - 3,3 kg
Capacity: 200 - 350 nails
Lengths: 19 - 90 mm

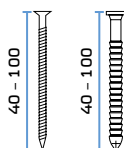

**Pneumatic nailer
for paper-collated D-head nails**

Weight: 3,6 kg
Capacity: 90 nails
Lengths: 50 - 100 mm

**Pneumatic (anchor) nailer
for plastic-collated nails
type TC**

Weight: 2,3 kg
Capacity: 50 nails
Lengths: 40 - 100 mm

Nailers for Expanding Inserts

Pneumatic nailer for expanding inserts MN 6

Weight: 1,8 kg
Capacity: 28 inserts
Lengths: 11 and 13 mm

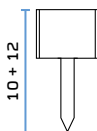

Nailers for Shelf Support Studs

Pneumatic nailer for shelf support studs

Weight: 1,8 kg
Capacity: 25 studs
Lengths: 10 and 12 mm

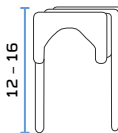

2,1

Cable Nailers

Pneumatic nailer for cable clips type KS

Weight: 1,6 kg
Capacity: 84 Staples and 50 cable clip
Lengths: 12 - 16 mm

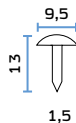

Nailers for Deco-Nails

Pneumatic nailer for deco-nails type ZN 100

Weight: 1,7 kg
Capacity: 100 nails
Lengths: 13 mm

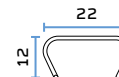

1,5

Hog Ring Pliers

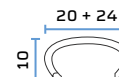

Pneumatic hog ring pliers for staples type CL 22

Weight: 1,8 kg
Capacity: 50 hog rings
Lengths: 12 mm

Pneumatic hog ring pliers for staples type CL 24

Weight: 1,6 kg
Capacity: 140 hog rings
Lengths: 10 mm

Clip Pliers

Pneumatic clipper for different spring clips

Weight: 2,1 kg
Capacity: 50 clips

Ask for our detailed brochure

Glazier Tool

Pneumatic tool for brads type SK 300 with glazier attachment

Weight: 0,9 kg
Capacity: 100 brads
Lengths: 10 - 35 mm

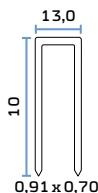

Bar-Code Tool

Pneumatic tool for staples type 380

Weight: 0,9 kg
Capacity: 157 staples
Lengths: 10 mm

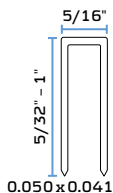

Flaring Staplers

Pneumatic staplers for staple 80/380 and 92

Weight (Lbs.): 2.20 - 3.09
Capacity: 160 staples
Lengths: 5/32" - 1"

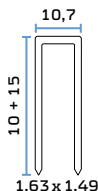

Staplers for Plastic Staples

Pneumatic stapler for plastic staples type P8

Weight: 1,0 kg
Capacity: 76 staples
Lengths: 10 and 15 mm

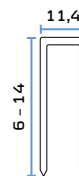

Manual Hand- and Hammer Tackers

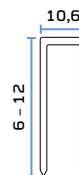

Hand tackers for staples type 53

Weight: 0,3 - 0,5 kg
Capacity: 156 staples
Lengths: 6 - 14 mm

Hammer tackers for staples type 11 and 37

Weight: 0,9 kg
Capacity: 157 staples
Lengths: 6 - 12 mm

Industrial Screwdrivers

Electrical screwdrivers for collated screws from 16 - 75 mm

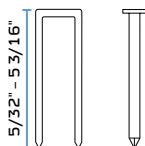

Weight: 1,8 - 2,8 kg
Capacity: 50 screws
Lengths: 16 - 75 mm

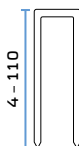

Modular tool long magazine

Magazine capacity approx.
300 - 500 fasteners in
lengths from 5/32" - 5 3/16"

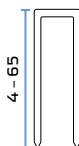

Modular tool side loader

Magazine capacity
up to 5 000 fasteners
in lengths from 4 - 110 mm

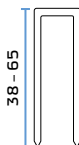

Modular tool top loader

Magazine capacity
up to 10 000 fasteners
in lengths from 4 - 65 mm

Modular tool changeover cassette

Magazine capacity
from 1900 - 2300 staples
in lengths from 38 - 65 mm

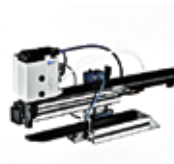

Modular tool strip nailer

Magazine capacity
up to 140 strip nails
in lengths from 40 - 100 mm

Modular tool for jumbo coils

for plastic and wire collated nails
in lengths from 1 3/4" - 3 5/8"
magazine capacity
up to 1.100 nails

Modular tool clinching unit

Magazine capacity
from 300 - 500 staples
in lengths from 4 - 25 mm

Modular tool skater

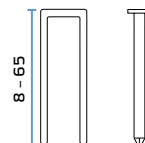

Magazine capacity
up to 500 staples
in lengths from 45 - 65 mm

Modular tool

Robotic self reloading
system up to 20 000
fasteners in lengths
from 8 - 65 mm

for different fasteners
ask for information

Hotmelt Glue Guns

Hotmelt glue guns
for sticks of 12 mm Ø

Weight: 0,3 - 0,6 kg

Ø: 12

Hotmelt glue guns
for sticks of 43 mm Ø

Weight: 1,2 - 1,5 kg

Ø: 43

Mobile Compressors

Kompressoren mit einem Zylinder

Gewicht: 9 - 38 kg
Ansaugleistung: 160 - 285 l / min

Two cylinder compressors

Weight: 47 - 75 kg
Air displacement: 300 - 500 l / min.

Mobile Compressors

"The" construction compressor
BeA KV 350-15

Weight: 50 kg
Air displacement: 350 l / Min.

Machines for Crates and Pallets

Crate and case machine

different versions to produce
cases, gates, crates, shelving,
sheds and top decks

VAB Pallet machines

for numerous pallet specifications
also possible with stacker
and branding station

**Cordless nailer
Dynamik D90S-680E
for D-head nails**

Weight: 3,6 kg
Capacity: 67 nails
Lengths: 50 - 90 mm

**Cordless nailer
Dynamik R90 short magazine
for strip nails**

Weight: 3,6 kg
Capacity: 36 nails
Lengths: 50 - 90 mm

**Cordless nailer
Dynamik R90 long magazine
for strip nails**

Weight: 3,8 kg
Capacity: 55 nails
Lengths: 50 - 90 mm

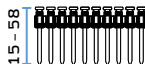

Gas Nailer for Concrete

**Cordless nailer
Dynamik CN60-688ES
for steel-nails**

Weight: 3,7 kg
Capacity: 40 nails
Lengths: 15 - 58 mm

Fuel Cells

Different fuel cells
for use in Dynamik D90, R20 and CN60 tools
and to fit in the most fuel cell driven nailers
including Pulsa 700 and Pulsa 1000

D-head nail packs

Competitive nail packs
D-head nails from 50 - 90 mm
and fuel cell(s)
e.g. for Dynamik D90S

D-head nail buckets

New:
D-head nails from 50 - 90 mm
and fuel cell(s)
e.g. for Dynamik D90S
in a useful and water resistant bucket

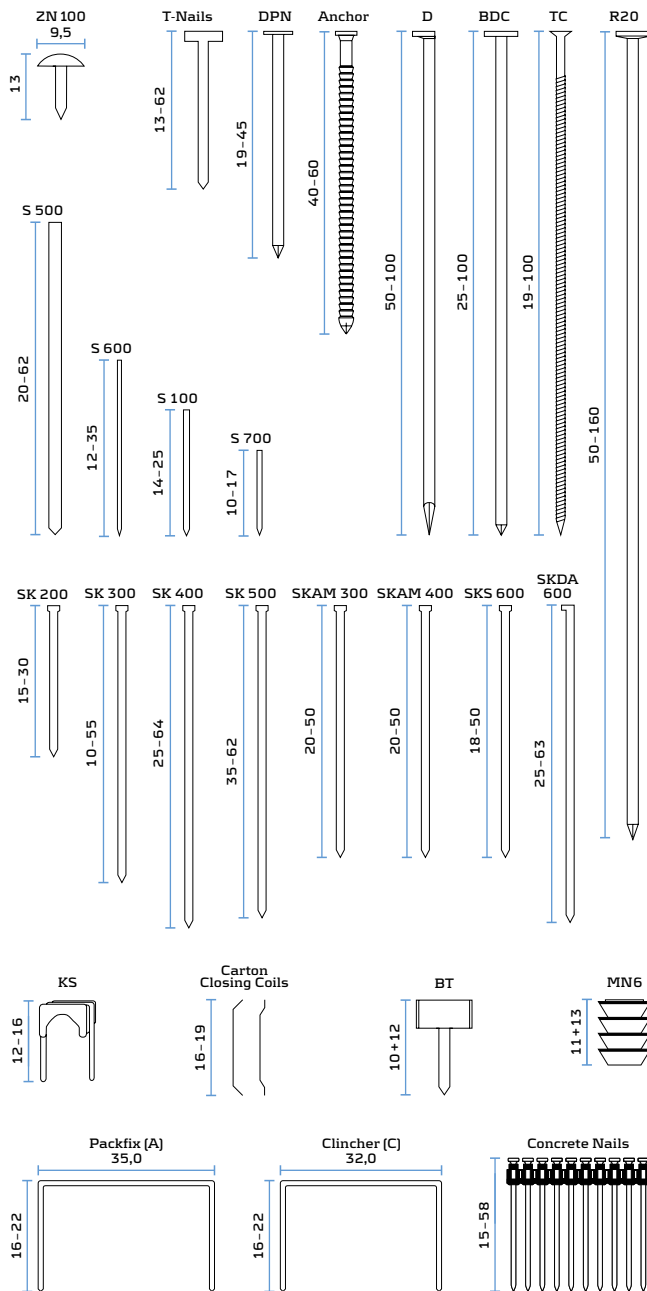

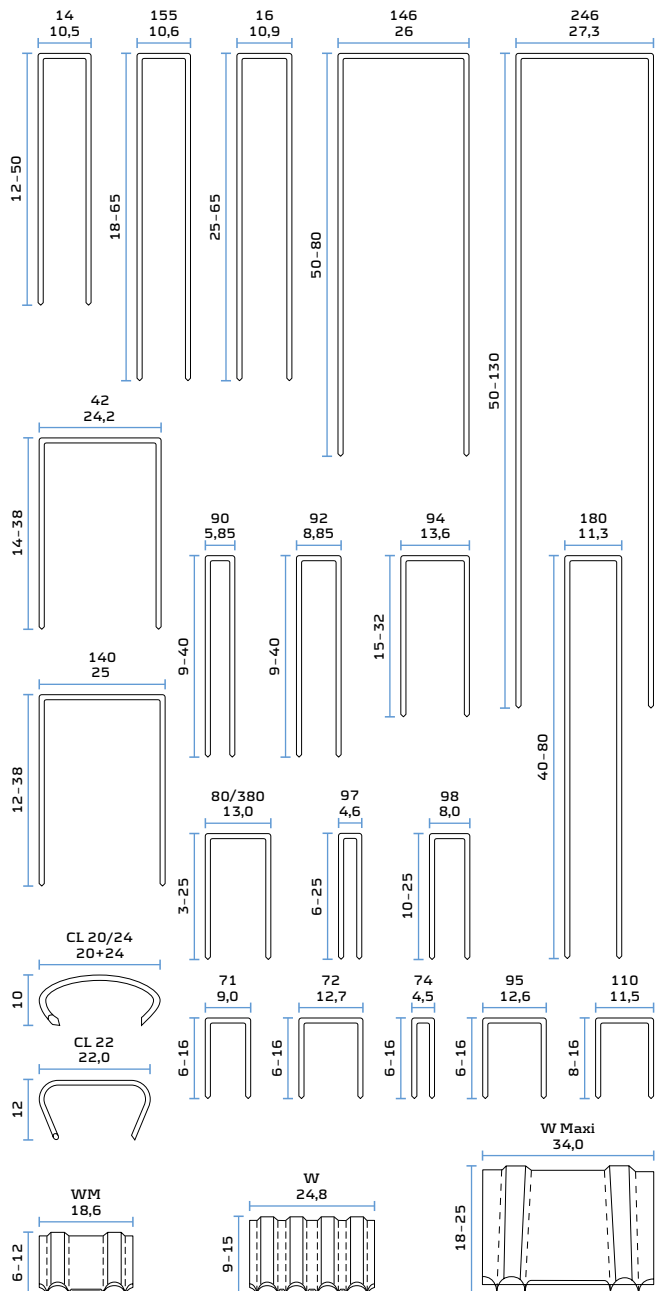

Concrete nails packs

Steel nails from 15 - 58 mm
and fuel cell(s)
for Dynamik CN 60

also to fit in:
Spit Pulsa 1000 and Powers Trak-it
packs also available for Spit Pulsa 700
